

MOONLIGHTING

Discoveries after Dark!

Come and meet other business women on the Northern Beaches in their own businesses!

Moonlighting is a casual event meeting owners or managers in their businesses to hear and learn about what happens on their premises behind the scenes.

This unique opportunity is also about socialising and networking.

Come and meet other ladies in business, enjoy the nibblies and drinks provided by the host!

What does Moonlighting mean?

It means getting a 2nd job - whilst our Moonlighting events won't mean you have to start a 2nd business, you can certainly learn about what other ladies do in theirs!
